PRIVATE LABEL

Formulator & Manufacturer

Skin - Hair - Wellness Products

support@aadhunikayurveda.com

Private Label Services

Aadhunik Ayurveda Vitals provides a wide range of skin care, health, and wellness products, including both topical and edible products.

Raw Materials

Specializes in single-ingredient raw materials, such as: Edible cold-pressed oils, Edible essential oils, Edible hydrosols (herb waters) etc.

Product Formulation and R&D:

Offering custom formulation services and research & development to create unique and market-ready products tailored to client needs.

Product Testing Reports:

Providing in-house and third-party lab testing reports to ensure product quality and safety.

Labeling and Packaging Design:

Assisting with branding, labeling, and packaging design to create attractive, compliant packaging that aligns with your brand's identity.

Logistics and Shipping Support:

Offering comprehensive logistics solutions, including shipping management, to streamline product delivery processes.

Third-Party Logistics (3PL):

Providing efficient 3PL services, such as warehousing, inventory management, and order fulfillment, to optimize your supply chain operations.

Export Assistance:

Helping businesses meet international standards and providing export support for global distribution.
